

Runner's Corner

2023 Racing Team Application

General Information

Team Info

The 2023 Runner's Corner Racing Team will be open to all aspiring athletes. The following application must be filled out and submitted before receiving benefits/compensation. Once an athlete has filled out this application and submitted it, the racing team managers will review it and connect with you directly via text/email.¹

Athletes returning & accepted from the previous year are not required to fill out a new full application if returning. However, ALL athletes must deliver a filled-out race schedule & signed contract to the team managers and renew their commitment fee (\$15) each year before receiving racing team benefits.

This contract is valid through the end of the calendar year. All listed benefits depend on the fulfillment of your responsibilities. If you are not fulfilling your responsibilities, you may not receive compensation. Runner's Corner is investing in you as an individual and an exceptional athlete and believe in your ability to be a positive influence for the store and in the running community in general.

Jersey: Runner's Corner will provide a simple jersey for all team members to pick up. If a team member wishes to use a different jersey, it must follow the jersey guidelines for that calendar year, or be approved by team captains. Team members must wear their racing team jersey with the Runner's Corner logo visible in order to receive benefits.

Jersey Guidelines:

- Black or white jersey (or both).
- Black or white (complementing) logo.
- 10" wide "RC" logo will be printed by RC on the front (5" logo for crops/sports bras)

Runner's Corner wants this agreement to be as simple as possible to allow athletes maximum flexibility. We know that injuries, family vacations, pregnancies, etc. can occasionally interrupt a racing season or training cycle. We'll treat these situations on a case-by-case basis and do all we can to keep you as a member of our team. Occasionally, it may be appropriate to defer membership until both sides can be fully committed to one another.

According to your cooperation in fulfilling the listed responsibilities, we look forward to sponsoring your running journey!

I have read the above contract and agree to the conditions outlined above.
